TRANSPARENT EARNING

Two Lucrative Commission Models to Choose From

We calculate commissions directly on **Gross Subscription Revenue** (not vague "net profit"), giving you 100% transparent and predictable earnings.

Model A: Monthly Recurring Passive Income (Recommended)

15% MONTHLY FOR 1 YEAR

Earn 15% of the client's monthly subscription fee every single month for the first 12 months as long as they stay subscribed.

| Referred Client Plan          | Monthly Plan Fee | Your Monthly Earning | Your 12-Month Total (Per Client) |
|-------------------------------|------------------|----------------------|----------------------------------|
| Starter Agency                | ₦75,000 / mo     | ₦11,250 / mo         | ₦135,000                         |
| Growth Developer              | ₦195,000 / mo    | ₦29,250 / mo         | ₦351,000                         |
| Abuja Enterprise (3 Branches) | ₦450,000 / mo    | ₦67,500 / mo         | ₦810,000                         |

Model B: Instant Annual Cash Bounty

20% UPFRONT CASH

When your referred developer pays upfront for an annual subscription, you receive an instant 20% lump-sum payout within 48 hours.

| Annual Plan             | Annual Fee (Developer Pays) | Your Instant 20% Lump Sum |
|-------------------------|-----------------------------|---------------------------|
| Starter Annual          | ₦900,000 / yr               | ₦180,000 Instant Cash     |
| Growth Developer Annual | ₦2,340,000 / yr             | ₦468,000 Instant Cash     |
| Enterprise Annual       | ₦5,000,000 / yr             | ₦1,000,000 Instant Cash   |

The 5-Client Passive Income Benchmark:

Introducing just **5 active Abuja developers** on the Growth Plan earns you **₦146,250 every single month** (₦1.75 Million in a year) without doing any customer support or software maintenance.

## ZERO TECHNICAL HASSLE

## The 3-Step “Warm Hand-Off” Process

You do NOT need to do technical demos or handle onboarding. You simply open the door, and our engineering team closes the deal.

### 1 Identify & Qualify the Prospect

#### WhatsApp Message (For Real Estate MDs / CEOs):

*"Good day [Name / Chief]. I noticed how rapidly your estate projects are expanding in Abuja. A lot of developers lose 15–20% of revenue to spreadsheet errors, missed installment dates, and commission fights. I'm sharing a brief Executive Prospectus from NAW PropertyFlow ([www.nawpropertyflow.com.ng](http://www.nawpropertyflow.com.ng)) — an automated operating system built specifically for Nigerian developers to prevent plot double-allocations, automate milestone Statements of Account, and provide a 24/7 Diaspora Investor Portal. Would you be open to a 20-minute operational demo for your team this week? They are currently offering free data migration."*

#### For Real Estate Lawyers & Consultants:

*"Hello [Counsel/Sir], if you have developer clients spending hours manually drafting Offer Letters, Deeds of Assignment, and battling client payment disputes, NAW PropertyFlow generates verified legal documents in 3 seconds and tracks every milestone payment automatically. Check out [www.nawpropertyflow.com.ng](http://www.nawpropertyflow.com.ng)."*

## RULES &amp; ETHICS

## Partner Standards & Payout Policy
